Akif Faruk Kazi

XR & Interaction Designer | Digital Twins & Industrial UX

Mumbai, India | +91 98677 35452 | akif.kazi@icloud.com | linkedin.com/in/akif-faruk-kazi | akifkazi.notion.site/portfolio

EXPERIENCE

Rosatom May 2026 – Present
Design Intern *Moscow, Russia (Remote)*

- Led design and AI-assisted development of a browser-based digital twin of an industrial vibratory feeder with a remote Russia-based team, letting staff monitor 30 sensors across 15 machine parts beyond the control room.
- Defined a JSON-ready, configuration-driven architecture with no fixed sensor limit, so new machines plug in without UI redesign.
- Designed a responsive, orientation-aware HUD with three inspection views and multilingual text editable after deployment.
- Optimised WebGL builds via texture compression and IL2CPP stripping, helping cut size from 48 to 18.6 MB with sub-3 s startup.

Siemens January 2025 – July 2025
Design Intern, FT UX Advanced Experience Research *Bengaluru, India*

- Partnered with the COMOS Walkinside team in Germany on scalable digital-twin UI components, showcased at UX@Siemens.
- Contributed reusable XR interaction patterns proposed for Siemens iX, the company's open-source design system.
- Researched industrial XR heads-up displays and tested concepts with stakeholders to refine hierarchy, placement and visibility.
- Helped build a controlled test environment for a patent-pending VR interaction technique.

Indian Institute of Technology Jodhpur July 2025 – Present
Teaching Assistant, Engineering Design *Jodhpur, India*

- Mentor 48 students from 13 engineering disciplines through team-based product projects, giving design and usability feedback.

Elevar May 2023 – September 2023
UI/UX Design Intern *Mumbai, India*

- Built a token-based Figma design system (colour, spacing, radius) with responsive variants, used it to redesign and code the Contact page in HTML/CSS, and analysed Google Analytics and Microsoft Clarity data to prioritise usability fixes.

EDUCATION

Indian Institute of Technology Jodhpur 2025 – Present
Master of Design, XR Design | CGPA 7.88 *Jodhpur, India*

Somaiya Vidyavihar University 2021 – 2025
Bachelor of Design, Interaction Design | CGPA 9.23 *Mumbai, India*

SKILLS

Design: Interaction Design, XR Design, UX Research, Usability Testing, Prototyping, Design Systems, Data Visualisation

Domains: Digital Twins, Industrial XR, IoT Sensor Dashboards, Accessibility

Tools: Figma, Unity, Blender, Adobe Creative Suite, Affinity, WebGL, HTML/CSS, Google Analytics, Microsoft Clarity

Languages: Hindi (Native), English (Fluent), Marathi (Beginner), Japanese (Beginner, self-study)

RESEARCH AND ACHIEVEMENTS

Master's Thesis | Gesture-based XR interaction for users with upper-limb impairment; review paper in progress | 2025 – Present

All India Rank | 57, NID GD 2025 | 417, CEED 2025 | 64, UCEED 2021

LEADERSHIP AND ACTIVITIES

TEDxIIMLucknow | Design Team Member | IIM Lucknow (Remote) | September 2024

Nazariya '23 Design Fest | Graphic Design Head | Somaiya Vidyavihar University | October 2023 – November 2023

Ycenter | Social Innovation Fellow | Philadelphia, USA (Remote) | September 2021 – November 2021
